### A NEW BUS FOR FAIRPLAY

Five local Rotary Clubs have recently worked together to fund a new Mini - bus for Chesterfield based 'Fairplay'. The charity provides out of school hours play schemes and youth projects for disabled children of all ages providing interesting and stimulating activities for the children and respite time for their parents and families. The new bus, which is converted for carrying wheel chairs, will enable Fairplay to broaden the scope of the children's activities by providing transport for trips and outdoor activities.
