JUNIOR COMMUNITY AWARD EVENING

Our club held its fourth Junior Community Award evening on June 24th when 24 children from five Dronfield Schools received their medals and certificates. The event was well chaired by Jenny Newsome assisted by David, Pat, William and Denise and the medals were presented by the new Town Mayor Councillor Philip Blackburn. As before, Dronfield's Henry Fanshawe School was very supportive of the event allowing us to use their large room and canteen facilities free of charge. During the event, Deputy Headmaster John Watterett addressed the children most of whom face the prospect of starting new at the school in September.

The Youth Opportunities Committee would like to thank everyone who has contributed to the scheme over the year and those who helped at the event particularly Dave and Jenny Newsome
