Congratulations to CARL MAKINS, Head of Schools and  
Community Projects for St John Ambulance who came to  
spend an evening with us last month. He wrote to us with  
the brilliant news that he had been offered one of the  
places on the GSE visit to India in January 2011.

He writes: "I was very warmed to see how passionate you  
all are about supporting the local community and offering  
support and guidance to others. The whole Rotary  
experience has inspired me to think about joining a group  
after the Indian visit. I'm really looking forward to doing  
more work with you before the trip and showcasing the  
wonderful work you do for others around the world.

Best wishes, CARL

**Well done, Carl, we'll support you all the way**

# DRONE VALLEY DIALOGUE CONTINUED

AT THE BEGINNING OF A NEW ROTARY YEAR - HERES A REMINDER OF WHAT CAN BE ACHIEVED THROUGH THE MAGIC OF ROTARY

## THE MAGICIAN

I have in this pack a million children -  
Pick any one you like.  
That's John  
From Nottingham.  
Problem in school, talks too much, lacks confidence.  
You're sure that's the one you want?  
Magic words - Youth Speaks, RYLA.  
Watch him change - watch him grow!  
**Abracadabra - Just like that!**

Pick another one, any one you like.  
That's Sayeed, from Tanzania.  
Crippled by war, hard to move, sits at home.  
You're sure you don't want to change your card?  
Magic words—School Aid, Jaipur Limb  
Watch him move, watch him smile.  
**Abracadabra - Just like that!**

Now here's a wheelchair, ordinary wheelchair,  
Nothing in it, no tricks.  
Right, now I'm going to put this little girl in it,  
Legs contorted by leprosy,  
No deception, she can't walk,  
Watch this, watch this -  
A maggot turns into a butterfly,  
**Abracadabra - Just like that!**

You've all seen this one - just a box, an empty box  
Nothing in it.  
You're sure of that?  
Send it abroad.  
An empty box abroad? Absurd!  
Let's try.  
Magic words - emergency, aqua, shelter!  
And look whats here - tents, pumps, clothing, a  
Parcel of hope,  
**Abracadabra - Just like that!**

And finally, you'll like this one, Really like this one.  
In my hand, an idea, just a little one.  
Blow on it and watch it grow.  
The deed becomes a movement,  
The movement becomes a force,  
The force becomes a change.  
Magic words - Action for Life.  
And look, look, we're changing the world,  
We're changing lives.  
**Abracadabra - Just like that!**
