INFORMATION ABOUT OUR ROTARY SHELTER BOXES

A donation of a shelter box will provide a family who have lost everything in a disaster with emergency shelter and life saving supplies, wherever and whenever they strike. Each box has a unique number and it is carefully recorded where each box goes, so clubs can track their box to its final destination. It is never known when the next disaster will strike. It is essential to keep on donating this life saving equipment thus ensuring Shelter Box have the stock in place to deliver this invaluable aid to the people who need it most, as quickly as possible

BOXES DONATED BY DRONE VALLEY

No. 31360 went to CHENGDU, CHINA (Earthquake)

No. 36219 went to JAVA (Floods)

No. 48726 went to HAITI (Earthquake)

No. 55083 went to PAKISTAN (Flooding)

SOME OF YOU MAY HAVE NOTICED A FEW TYPOS IN THIS DIALOGUE FROM TIME TO TIME, BUT IN THIS NEW YEAR I AIM TO USE THIS NEW SET OF RULES

1. Verbs has to agree with their subjects
2. Prepositions are not words to end sentences with
3. And don't start a sentence with a conjunction
4. It is wrong to ever split an infinitive
5. Avoid clichés like the plague - they're old hat
6. Also, always avoid annoying alliteration
7. Be more or less specific
8. Parenthetical remarks (however relevant) are (usually unnecessary)
9. Eschew ampersands & abbreviations, etc.
10. One word sentences? Eliminate
11. Eliminate commas, that are, not necessary. Parenthetical words however should be enclosed in commas
12. Never use a big word when a diminutive one would suffice
13. Who needs rhetorical questions?
14. Exaggeration is a million times worse than understatement
15. Contractions aren't necessary and shouldn't be used

And finally.....I'm going to

proof read carefully to see if I've any words out.
