

Drone Valley Rotary Club

Dronfield based Drone Valley Rotary Club is open to men and women of all ages who would enjoy an interesting evening out one a week and at the same time help to make a difference in the world with some like minded people.

The Club meets every Monday night at the Talbot Arms Public House, Stubley Lane, Dronfield Woodhouse.

Last Monday members of the Pokhara Fishtail Rotary Club visiting from Nepal gave a talk about the Rotary supported Fishtail Fund which helps clever Nepalese Children from poor families stay in education beyond junior school age.

Future meeting include talks, social events, visits and business meetings to discuss the clubs plans and projects to raise funds to help people in our local community and overseas.

For further information visit the club website at www.dronevalleyrotary.org.uk
