

Fashion and Glamour in Dronfield

Dronfield Forge Shopping Centre was recently host to an evening of fashion and glamour when the Rotary Club of Drone Valley and Chi-Chi's ladies fashions shop held their annual charity fashion show.

During the evening over 150 guests watched twenty beautiful ladies model a wide range of formal and informal fashions for women of all ages. The clothes represent the latest autumn and winter collections now in stock at Chi-Chi's shop at the Forge. Owners Christina and Bob Wildsmith organised the models all of whom gave their time free and members of Drone Valley Rotary club sold tickets and helped organise the event.

The evening raised over £800 which this year will be given to the DARE children's drug education scheme.

The Rotary Club of Drone Valley has a busy winter programme of talks, socials and business meetings to discuss fund raising projects like the fashion show. Membership is open to anyone. To attend a meeting see our website: www.dronevalleyrotary.org.uk
